

Wellbeing

We believe children learn best in an environment where their wellbeing is nurtured. Children feel safe, secure, respected and supported

Play

Play is children's work - it is fun, creative, hands on, risk taking and explorative

PHILOSOPHY STATEMENT

Children's Learning

Children learn through a balance of free play and explicit teaching opportunities. Children need to have time to practise and master skills individually and in groups

Relationships

Developing positive and respectful relationships with children and families is fundamental for supporting children's learning
